<b>Options</b>	A single Clan Warriors or Greybeards unit may Vanguard (max 30 models • May take a Shield • Spear • Champion • Musician • Standard Bearer • Banner Enchantment • Banner of Speed)
----------------	---

### Magics

#### Magic banners

**Banner of Speed:** The bearer's unit gains +1 Movement.

#### Model Rules

**Blood Frenzy:**

**Channel:** Each model part with this special rule adds +1 to its side's Channel rolls. All Wizards have this special rule.

**Cold-blooded:**

**Heavy Armour:**

**Large target:**

**Magic Resistance (1):** All models in a unit with one or more models with Magic Resistance add the value within brackets (X) to any Ward Save rolls (using the same rules as for adding to Armour Saves) when rolling Ward Saves against Wounds caused by spell effects. Magic Resistance, like most special rules, is not cumulative.

**Multiple Wounds:**

**Plate Armor:**

**Relentless:** Infantry units entirely composed of models with this special rule may triple their Movement when marching instead of doubling it. This is extended to other situations where a move is limited by twice the Movement value of the model, such as Wheeling, Reforming, Moving Characters within a unit and so on. In those cases, use triple the movement value instead.

**Rune Craft Mastery:** An Anvil of Power can make Dispel Attempts as if it were a Wizard Apprentice. An Anvil of Power may choose up to three different

Bound Spells from among the Battle Runes (free) and the Anvil Runes below. All Battle and Anvil Bound Spells cast by the Anvil of Power have a 36" range. Battle Runes are cast with a Power Level of 4, while Anvil Runes are cast with a Power Level of 5.

**Scaly Skin:**

**Scoring:** Units with at least one model with the Scoring special rule are considered Scoring Units and are used for capturing Secondary Objectives. Every army needs a few Scoring units to be able to complete Secondary Objectives, which is why units with the Scoring special rule are marked in the Armybooks with a special pennant icon:

The Scoring special rule can be lost during the game:

- One or more models in the unit are Light Troops.
- A unit that is Fleeing loses its Scoring special rule for as long as it is Fleeing.
- An Ambushing unit that entered the Battlefield on Game Turn 4 or later loses its Scoring Special rule.
- A unit that has performed a Post-Combat Reform loses its Scoring special rule until the end of the current Player Turn.

**Shield Wall:** As long as they are using a Shield, models with this special rule gain a Ward Save (6+) against non-Special Close Combat Attacks made by enemy models to their front.

This Ward Save is improved to (5+) during the Round of Combat following directly after the unit was charged.

**Sturdy:** A model with this rule has Thunderous Charge. Furthermore, it does not suffer to-hit modifiers from taking a Stand and Shoot Charge Reaction.

**Terror:**

### Qr codes of your army

You can print this page to have all your army's units qrcode and cut them to stick them on your units, with them you can directly access to the unit's profil with your phone.
