4	Chilling Howl	6+ [10+]	36"	Hex	One Turn	All units within 6" [12"] of the target when the spell is cast suffer a -1 to-wound modifier on their Shooting [Ranged] Attacks [including effects of spells cast while affected by spell effects].

Magic items

Alchemist's Alloy: The wearer gains +1 Armour and suffers -2 Offensive Skill.

Book of Arcane Mastery: The bearer's first Casting Attempt in each Magic Phase gains a +2 Casting Modifier. When using a single Magic Dice for this Casting Attempt, a natural roll of '1' or '2' on the Magic Dice is always a failed Casting Attempt, regardless of any modifiers.

Essence of Mithril: The wearer's Armour is set to 5 and can never be improved beyond this.

Khagadai's Legacy: Attacks made with this weapon gain **Multiple Wounds (D3)** and become **Magical Attacks**.

Death Cheater: The wearer gains +1 Armour and Fortitude (4+).

Magic banners

Skull of Qenghet: The bearer's unit gains **Fear** and automatically passes Panic Tests caused by Terror.

Pennant of the Great Grass Sky: The bearer's unit gains **Swiftstride**.

Model Rules

Battle-Scarred: Each unit of Mercenary Veterans may be given up to two of the upgrades listed below (the upgrades **must** be written on the Army List). The models gain: • Accurate • Devastating Charge (+1 Str, +1 AP) • Lethal Strike • Magic Resistance (2) • Plate Armour • Poison Attacks • Swiftstride • Vanguard Each upgrade may only be taken by a single unit of Mercenary Veterans in your army.

Freezing Aura: The model can cast Chilling Howl (Shamanism) as a Bound Spell with Power Level (4/8). Enemy units within 9" of one or more Frost Mammoths suffer -3 Agility. The roll for Flee Distance of enemy units that Break from Combat while in base contact with one or more Frost Mammoths is subject to Minimised Roll.

Giant See, Giant Do: The model gains Infernal Armour and **Infernal Brand**.

Great Weapon: Attacks made with a Great Weapon gain +2 Strength, +2 Armour Penetration and always strike at Initiative Step 0 (regardless of the wielder's Agility). A model using this weapon cannot simultaneously use a Shield against Melee Attacks

Hand Cannon: Shooting Weapon.
Range 24", Shots D6, Str 4, AP 2, Quick to Fire.

Hand Weapon: All models come equipped with a Hand Weapon as their default equipment. If a model has any Close Combat Weapon other than a Hand Weapon, it cannot choose to use the Hand Weapon (unless specifically stated). Hand Weapons wielded by models on foot can be used alongside a Shield, then giving Parry

Harnessed: Model parts with Harnessed cannot make Supporting Attacks and cannot use Weapons. Shooting Weapons carried by model parts with Harnessed can be used by other model parts of the same model (as long as they do not have Harnessed or Inanimate). A model with with at least one model part with Harnessed is considered to be mounted.

Heavy Armour: +2 Armor

Impact Hits: At Initiative Step 10, a charging model part with Impact Hits must choose an enemy unit that is in base contact with the attacking model's Front Facing. This unit suffers a number of hits equal to the value stated in brackets (X). These hits are resolved with the attacking model part's Strength and Armour Penetration.

If a model has both Grind Attacks and Impact Hits, it may only use one of these rules in the same Round of Combat (its controlling player may choose which). In multipart models, only model parts that also have Harnessed or Inanimate can use their Impact Hits. When several models in the same unit have Impact Hits, and when X is a random number (e.g. Impact Hits (D6)), roll for the number of hits separately for each model part.

Insignificant:

Light Armour: Armor +1

Rage: Whenever the model loses a Health Point, it gains +1 Attack Value. Whenever it gains a Health Point, it suffers -1 Attack Value.

Scoring: Units with at least one model with Scoring are considered to be Scoring Units, which are used for winning Secondary Objectives (see section XVI.2 "Scoring Secondary Objectives", page 67). Every army needs a few Scoring units to be able to complete Secondary Objectives, which is why units with Scoring are marked in the Army Books with a special pennant icon:

Scoring can be lost during the game:

- A unit that is Fleeing loses Scoring for as long as it is Fleeing.
- An Ambushing unit that enters the Battlefield on Game Turn 4 or later loses Scoring.
- A unit that has performed a Post-Combat Reform loses Scoring until the start of the following Player Turn.

Scrapling Lookout: If a unit includes a Standard Bearer or a Battle Standard Bearer with Scrapling Lookout, there must be fewer than 3 R&F models before hits can be distributed onto Characters with the same Type and Height as the unit.

Sons of the Avalanche: The model part gains **Impact Hits (1)**. If its unit has 2 or more Full Ranks, the model part gains **Impact Hits (2)**. A Character with Sons of the Avalanche instead gains **Impact Hits (D3)**, or **Impact Hits (D3+1)** if its unit has 2 or more Full Ranks. In addition, the model is immune to the effects of Fear from enemy models.

Wizard Apprentice: - Knows 1 spell.

- Can select between the Learned Spell 1 of its chosen Path and the Hereditary Spell of its army.

The Wizard selects its spells as described in Spell Selection

Qr codes of your army

You can print this page to have all your army's units qrcode and cut them to stick them on your units, with them you can directly access to the unit's profil with your phone.
