Magics

Racial Trait Spell

	Casting	Range	Type	Duration
Curse of the Phantom Queen				
Mf	7+	24"	Translation missing: en.magic_spell.type_target.Hex	One Turn

Whenever a model that is the target of this spell inflicts a Health Point loss against an enemy unit, the model's unit suffers 1 hit with Strength 4, Armour Penetration 2, and Magical Attacks. These hits are considered Ranged Attacks that are distributed by the attacking unit's owner. Only consider Health Point losses caused by Close Combat Attacks, Shooting Attacks, Special Attacks, and spells with duration Instant for this purpose. No Health Pool can generate more hits this way than it had Health Points before the Health Point loss.

Model Rules

Breath Attack:

Cut one off...: Universal Rule.

For each successful Fortitude Save roll of a natural '6', the model disregards another simultaneously suffered wound. If there aren't enough simultaneously suffered wounds to disregard, the model immediately Recovers 1 Health Point instead.

Fortitude: Fortitude is a Special Save . Fortitude Saves cannot be taken against attacks with Lethal Strike that rolled a natural 6+ to wound, or against attacks with Flaming Attacks

Harnessed: Model parts with Harnessed cannot make Supporting Attacks and cannot use Weapons. Shooting Weapons carried by model parts with Harnessed can be used by other model parts of the same model (as long as they do not have Harnessed or Inanimate). A model with with at least one model part with Harnessed is considered to be mounted.

Lightning Reflexes: Close Combat

A Close Combat Attack with Lightning Reflexes gains a +1 to-hit modifier. Model parts with this Attack Attribute wielding Great Weapons do not gain this +1 to-hit modifier, but strike with the Great Weapon at the Initiative Step corresponding to their Agility instead of always striking at Initiative Step 0.

Poison Attacks: If the attack successfully hits with a natural to-hit roll of '6', it automatically wounds with no to-wound roll needed. Shooting Attacks using the Hopeless Shot can only automatically wound if the first to-hit roll is a natural '6'. Note that the second to-hit roll must still be successful in order to hit the target. If the attack can be turned into more than one hit (e.g. a hit with Area Attack, Battle Focus, or Penetrating), only a single hit, chosen by the attacker, automatically wounds. All other hits must roll to wound as normal.

Rage - Hydra: Attack Attribute – Close Combat.

Whenever the model loses a Health Point, it gains +1 Attack Value. Whenever it gains a Health Point, it suffers -1 Attack Value.

Ruthless Efficiency: Close Combat

The attack gains +1 to wound during the First Round of Combat.

Qr codes of your army

Your can print this page to have all your army's units qrcode and cut them to stick them on your units, with them you can directly access to the unit's profil with your phone.
