Model Rules

Natural Resistance:

Ancestral Grudge: Dwarfs always have the Hatred (Ores & Goblins) and Hatred (Skaven) special rules —this means any unit taken from Warhammer: Ores Goblins or Skaven. To determine the level of bitterness the Dwarfs feel towards other armies, after deployment but before Vanguard moves, roll a D6 and consult the following chart:

1-2 Personal Vendetta. The DwarfGeneral has the Hatred special rule against the opposing army's General.

3-4 Rancorous Resolve. All friendly character models with the Ancestral Grudge special rule have the Hatred special rule against all character models from the opposing army.

5-6 Seething Score to Settle. All friendly models with the Ancestral Grudge special rule have the Hatred special rule against all models in the enemy army.
