Magics

Racial Trait Spell

	Casting	Range	Type	Duration
Favour of Meladys				
Mf	10+	Caster		One Turn
<p><i>Immediately after successfully casting the spell, add one Veil Token to your Veil Token pool.</i></p> <p><i>When a friendly unit within 18" of the Caster suffers a wound before Special Saves, you may discard a Veil Token from your Veil Token pool instead and the wound is ignored. An attack with Multiple Wounds will inflict one wound less than usual instead. For Standard Infantry, up to 2 wounds are ignored per token provided they are suffered simultaneously. A maximum of two Veil Tokens may be discarded each phase for this purpose. Characters and Gigantic models can only ignore a single wound this way per phase.</i></p>				

Model Rules

Elven Bolt Thrower: Artillery Weapon.

This Shooting Weapon can be fired in two ways:

- Range 48", Shots 1, Str 3 [6], AP 10, Area Attack (5x1), [Multiple Wounds (D3)].
- Range 48", Shots 6, Str 4, AP 2.

Fight in Extra Rank:

Great Weapon: Attacks made with a Great Weapon gain +2 Strength, +2 Armour Penetration and always strike at Initiative Step 0 (regardless of the wielder's Agility). A model using this weapon cannot simultaneously use a Shield against Melee Attacks

Heavy Armour: +2 Armor

Light Armour: Armor +1

Lightning Reflexes:

Longbow: Portée 30", tir 1, Force 3, PA 0, tir de volée

Martial Discipline: If more than half of a unit's models have Martial Discipline, their Discipline Tests are subject to Minimised Roll except for Panic and Break Tests.

Moonlight Arrows: Shooting.

This Attack Attribute can only be used with Bows or Longbows without Weapon Enchantments. The attacks become Flaming Attacks and Magical Attacks, and have their Strength set to 4 and their Armour Penetration set to 1.

Move or Fire: The attack may not be used if the attacking model has made an Advance Move, March Move, Reform or Pivot during the current Player Turn.

Scoring: Units with at least one model with Scoring are considered to be Scoring Units, which are used for winning Secondary Objectives (see section XVI.2 "Scoring Secondary Objectives", page 67). Every army needs a few Scoring units to be able to complete Secondary Objectives, which is why units with Scoring are marked in the Army Books with a special pennant icon:

Scoring can be lost during the game:

- A unit that is Fleeing loses Scoring for as long as it is Fleeing.
- An Ambushing unit that enters the Battlefield on Game Turn 4 or later loses Scoring.
- A unit that has performed a Post-Combat Reform loses Scoring until the start of the following Player Turn.

Shield: +1 Armour Hand Weapons wielded by models on foot can be used alongside a Shield, then giving Parry.

Spear:

Sword Sworn: Attack Attribute - Close Combat.

The model part gains a +1 to-hit modifier when attacking with a Great Weapon.

War Machine: The model cannot Pursue, Declare Charges or Declare Flee as Charge Reaction. Characters can never join units with War Machines, and Characters with War Machine cannot join units at all.

When a War Machine fails a Panic Test, instead of Fleeing it is Shaken until the end of the next Player Turn. War Machines that fail a Break Test are automatically destroyed. War Machines and units Engaged in Combat with them cannot make Combat Reforms.

When a unit charges a War Machine, it can move into base contact by having its Front Facing contact any point of the War Machine's base (it must still maximise the number of models in base contact, see subsection II.1.A "Bases and Base Contact", page 4 and Figure 1 page 4). No Align Move is allowed. Ignore the War Machine's Facing, as it does not have any due to its round base.

Qr codes of your army

You can print this page to have all your army's units qrcode and cut them to stick them on your units, with them you can directly access to the unit's profil with your phone.

Citizen Spears #1

Citizen Archers #1
