Battle Sphinx	4	4	5	2	1 Breath Attack, Harnessed, Poison Attacks

## Magics

### Racial Trait Spell

Undying Dynasties do not have a regular Hereditary Spell. Instead, all Death Cult Hierarchs know the Hereditary Attribute Spell Death is Only the Beginning (in addition to Path Attributes). At step 1 of each Casting Attempt of a non-Attribute non-Bound Spell of type Augment with a Death Cult Hierarch, the owner may declare that the Wizard will cast an amplified version of the spell:

- If the spell targets one or more units containing any models with Ensouled Statue, the Casting Value of the amplified version is increased by 2.
- If the amplified version is successfully cast, Death is Only the Beginning is automatically cast (as an Attribute Spell).

	Casting	Range	Type	Duration
A Death is Only the Beginning				
<i>Mf</i>	-	See below*	Translation missing: en.magic_spell.type_target.Augment	Instant
<p><i>When resolving the spell, choose one of the following effects:</i></p> <ul style="list-style-type: none"> <li>• The R&amp;F part of the target Raises a number of Health Points equal to its Resurrected value.</li> <li>• Up to one Character within the target Recovers a number of Health Points equal to its Resurrected value.</li> </ul> <p><i>Characters and models with Towering Presence cannot Recover more than 2 Health Points from this spell in a single Magic Phase.</i></p> <p><i>*The spell targets a single unit that was the target of the spell that triggered the Hereditary Attribute Spell.</i></p>				

Divination

**The Conclave:** Spells from Divination gain +3" range up to a maximum of +9" for each additional friendly Wizard within 12" of the Caster. This bonus can never increase the combined modifier beyond +9", however other sources may.

		Casting	Range	Type	Duration	Effect
5	Unerring Strike	<7+> {10+}	18"	Hex Missile Damage	Instant	The target suffers <2D6> {3D6} hits that wound on 4+ with Armour Penetration 1, <b>Divine Attacks and Magical Attacks</b> .
3	Scrying	<7+> {12+}	<18"> {6"Aura}	Augment	One Turn	The target gains Distracting and Hard Target.
4	The Stars Align	<8+> {12+}	<18"> {6"Aura}	Augment	One Turn	The target gains Divine Attacks. In addition, it must reroll failed to-hit rolls with Close Combat <and Shooting> Attacks.
6	Mirror of the Veil	{7+}{10+}	{18"}{6"Aura}	Hex	Permanent	The target gains Magic Resistance (3) that is also applied to friendly spells.
A	Guiding Light		12"	Augment	One Turn	Discipline Tests of units with all models affected by the spell are subject to Minimised Roll. A unit cannot be affected by this spell more than once per Magic Phase.
1	Know Thy Enemy	<7+> {12+}	<18"> {6"Aura}	Augment	One Turn	The target gains +2 Offensive Skill, +2 Defensive Skill, and +2 Agility.
2	Fate's Judgement	<5+> {9+}	18"	Hex Missile Damage	Instant	The target suffers <1D3> {1D6} hits that wound automatically with Armour Penetration 0 and Magical Attacks, with no Special Saves allowed (note that Armour Saves are allowed).

## Magic items

**Sacred Hourglass:** The bearer may reroll failed Casting Attempts that were rolled using 2 Magic Dice (by rerolling both Magic Dice).

**Death Mask of Teput:** Enemy units in base contact with the bearer suffer -2 Offensive Skill.

## Magic banners

**Legion Standard:** A unit with one Legion Standard increases the maximum of its Rank Bonus by +1 (normally this means the unit can add up to 4 Full Ranks to its Combat Score). A unit with two or more Legion Standards increases the maximum of its Rank Bonus by +2 instead.

## Model Rules

### Aspen Bow: Shooting Weapon

Range 24", Shots 1, Str 3, AP 0, Volley Fire.

This weapon always hits on a roll equal to or greater than its Aim.

### Breath Attack:

**Dust to Dust:** At the end of any phase in which the Hierophant was removed as a casualty, every unit in the army with Dust to Dust **must** pass a Discipline Test or lose a number of Health Points equal to the amount by which the test was failed, with no saves of any kind allowed. These Health Point losses are allotted following the rules for Unstable. The number of Health Points lost is reduced by 1 if the unit is within range of Rally Around the Flag. At the end of the Player Turn in which the Hierophant was removed as a casualty, a new Hierophant may be selected. In order to do so, nominate a friendly Wizard Character. This Character becomes the new Hierophant. At the start of each friendly Player Turn after the army's Hierophant has been removed as a casualty and no new Hierophant has been selected, every unit with Dust to Dust **must** once again pass a Discipline Test or lose Health Points as described above.

**Ensouled Statue:** The model gains **Undead** and **Dust to Dust**. If more than half of the models in a unit have Ensouled Statue, reduce the number of Health Points lost by this unit due to Dust to Dust and Unstable by 1.

**Fear:** Units in base contact with one or more enemy models with Fear suffer -1 Discipline. At the start of each Round of Combat, such units must take a Discipline Test, called a Fear Test. If this test is failed, the models in the unit are Shaken until the end of the Round of Combat. Models that have Fear themselves are immune to the effects of Fear.

**Fearless:** If more than half of a unit's models are Fearless, the unit automatically passes Panic Tests and Decimated Tests and cannot declare a Flee Charge Reaction (unless already Fleeing). Models that are Fearless are also immune to the effects of Fear.

### Flammable:

### Great Aspen Bow: Shooting Weapon

Range 36", Shots 1, Str 5, AP 2, Volley Fire.

This weapon always hits on a roll equal to or greater than its Aim.

**Guardian's Wrath:** Model parts without Harnessed in the model's unit gain Battle Focus.

**Hand Weapon:** All models come equipped with a Hand Weapon as their default equipment. If a model has any Close Combat Weapon other than a Hand Weapon, it cannot choose to use the Hand Weapon (unless specifically stated). Hand Weapons wielded by models on foot can be used alongside a Shield, then giving Parry

**Harnessed:** Model parts with Harnessed cannot make Supporting Attacks and cannot use Weapons. Shooting Weapons carried by model parts with Harnessed can be used by other model parts of the same model (as long as they do not have Harnessed or Inanimate). A model with at least one model part with Harnessed is considered to be mounted.

**Lethal Strike:** If the attack wounds with a natural to-wound roll of 6+, its Armour Penetration is set to 10 and the target of the attack cannot take a Regeneration save against it.

**Light Armour:** Armor +1

### Light Lance:

**Poison Attacks:** If the attack successfully hits with a natural to-hit roll of '6', it automatically wounds with no to-wound roll needed. Shooting Attacks using the Hopeless Shot can only automatically wound if the first to-hit roll is a natural '6'. Note that the second to-hit roll must still be successful in order to hit the target. If the attack can be turned into more than one hit (e.g. a hit with Area Attack, Battle Focus, or Penetrating), only a single hit, chosen by the attacker, automatically wounds. All other hits must roll to wound as normal.

**Scoring:** Units with at least one model with Scoring are considered to be Scoring Units, which are used for winning Secondary Objectives (see section XVI.2 "Scoring Secondary Objectives", page 67). Every army needs a few Scoring units to be able to complete Secondary Objectives, which is why units with Scoring are marked in the Army Books with a special pennant icon: Scoring can be lost during the game:

- A unit that is Fleeing loses Scoring for as long as it is Fleeing.
- An Ambushing unit that enters the Battlefield on Game Turn 4 or later loses Scoring.
- A unit that has performed a Post-Combat Reform loses Scoring until the start of the following Player Turn.

**Shield:** +1 Armour Hand Weapons wielded by models on foot can be used alongside a Shield, then giving Parry.

**Special Ambush:**

**Undead:** The model gains Unstable. Models with Undead cannot perform March Moves, unless their unit starts the March Move within the range of a friendly model's Commanding Presence. The only Charge Reaction a unit with one or more models with Undead can make is Hold.

When units consisting entirely of models with Undead lose Health Points due to Unstable, the number of lost Health Points can be reduced in some situations. Apply the modifiers in the following order:

1. If the unit is Stubborn, halve the number of lost Health Points (round fractions up).
2. If the unit is Steadfast, reduce all lost Health Points above 12 to 12.
3. If the unit receives Rally Around the Flag, reduce the number of lost Health Points with the unit's current Rank Bonus. Units with no Rank Bonus reduce the number of Health Points lost by 1 instead.
4. Apply all other modifiers (from Special Equipment, Model Rules, spells, etc.) afterwards.

**Wizard Apprentice:** - Knows 1 spell.

- Can select between the Learned Spell 1 of its chosen Path and the Hereditary Spell of its army.

The Wizard selects its spells as described in Spell Selection

### Qr codes of your army

You can print this page to have all your army's units qrcode and cut them to stick them on your units, with them you can directly access to the unit's profil with your phone.
