Magics

Racial Trait Spell

	Casting	Range	Type	Duration
--	---------	-------	------	----------

	Casting	Range	Type	Duration
Hellfire				
<i>Mf</i>	(6+) {10+}	18"	Translation missing: en.magic_spell.type_target.Hex, Translation missing: en.magic_spell.type_target.Damage, Translation missing: en.magic_spell.type_target.Direct	Instant
The target suffers (2D3) {2D6} hits with Strength 6, Armour Penetration 0, and Magical Attacks.				

Occultism

The Sacrifice: When casting a non-Bound Spell from this Path, immediately after the casting roll, but before any Dispelling Attempt, the Active Player may choose the Caster's unit or another friendly unengaged unit within 24".

A unit may only be chosen once per phase. The chosen unit suffers X hits that wound automatically with Armour Penetration 10 and Magical Attacks, and with no saves of any kind allowed, where X is determined by the Discipline value of the largest fraction of models in the unit, ignoring all Discipline modifiers. In case of a tie, use the lower value:

- 0 to 4: 3 hits
- 5 to 7: 2 hits
- 8 to 10: 1 hit

Any Health Point loss from The Sacrifice that would remove the last model of the chosen unit as a casualty is discarded.

These Health Points losses never cause Panic Tests.

If at least one Health Point loss was caused, the spell is cast with the {amplified} version. In that case, use any text marked with {}.

		Casting	Range	Type	Duration	Effect
4	Breath of Corruption	6+ [9+]	Caster [12"]	[Augment] Focused	One Turn	The target gains Breath Attack (Magical Attacks, Toxic Attacks). [This spell may only target Characters, Champions, and single model units.] {If the Breath Attack is used as a Shooting Attack, its range is increased to 18".}
5	Marked for Doom	9+	24"	Hex Damage Direct	Instant	The target suffers 1 hit with Strength 10, Armour Penetration 10, Multiple Wounds (D3), and Magical Attacks. {If the target is within 12" of the Caster, the spell targets a single Character or Champion joined to the target unit.}
6	The Grave Calls	11+	12"	Hex Damage Direct	Instant	The target suffers 2D6 hits with Strength 5, Armour penetration 2, and Magical Attacks. {The hits gain +1 Strength and +1 Armour Penetration.}
2	Hand of Glory	6+ [8+]	Caster [12"]	[Augment] Focused	One Turn	[This spell may only target Characters, Champions, and single model units.] The target {and all models in its unit} gain Aegis (6+) and Aegis (+1, max 3+).
1	Pentagram of Pain	5+[6+]	24"[12"Aura]	[Hex] Direct [Universal] Damage	Instant	The target suffers D6 hits with Strength 4, Armour Penetration 1, and Magical Attacks. [The Caster's unit is unaffected.] {If one or more unsaved wounds are caused with this spell, the Caster Recovers 1 Health Point.}
3	The Rot Within	6+	18"	Hex	Permanent	The target suffers -1 Offensive Skill and -1 Defensive Skill. {The Caster gains +1 Offensive Skill and +1 Defensive Skill.}

Magic items

Death Cheater: The wearer gains +1 Armour and Fortitude (4+).

Obsidian Rock: The bearer gains Magic Resistance (2).

Immortal Gauntlets: At the start of any Round of Combat, you may discard a Veil Token from your Veil Token pool. If so, choose either Divine Attacks, Flaming Attacks, or Magical Attacks. The bearer's Close Combat Attacks gain the chosen Attack Attribute. The chosen effect lasts until the end of the phase.

Talisman of Shielding: The bearer gains Aegis (5+).

Talisman of the Void: The bearer gains Channel (1).

Veilgate Orb: At the end of Siphon the Veil, the army may keep up to 6 Veil Tokens instead of the normal 3.

Magic banners

Banner of the Relentless Company: One use only. May be activated during the owner's Movement Phase. All Infantry models in the bearer's unit always have March Rate 15", until the end of the Player Turn. Only a single Banner of the Relentless Company may be activated during the same phase.

Stalker's Standard: The bearer's unit gains Strider.

Model Rules

Battle Fever: Units with more than half of their models with Battle Fever must reroll failed Panic and Break Tests.

Champion:

Fear: Units in base contact with one or more enemy models with Fear suffer -1 Discipline. At the start of each Round of Combat, such units must take a Discipline Test, called a Fear Test. If this test is failed, the models in the unit are Shaken until the end of the Round of Combat. Models that have Fear themselves are immune to the effects of Fear.

Fearless: If more than half of a unit's models are Fearless, the unit automatically passes Panic Tests and Decimated Tests and cannot declare a Flee Charge Reaction (unless already Fleeing). Models that are Fearless are also immune to the effects of Fear.

Halberd: Attacks made with a Halberd gain +1 Strength and +1 Armour Penetration. A model using this weapon cannot simultaneously use a Shield against Melee Attacks.

Hand Weapon: All models come equipped with a Hand Weapon as their default equipment. If a model has any Close Combat Weapon other than a Hand Weapon, it cannot choose to use the Hand Weapon (unless specifically stated). Hand Weapons wielded by models on foot can be used alongside a Shield, then giving Parry

Harnessed: Model parts with Harnessed cannot make Supporting Attacks and cannot use Weapons. Shooting Weapons carried by model parts with Harnessed can be used by other model parts of the same model (as long as they do not have Harnessed or Inanimate). A model with at least one model part with Harnessed is considered to be mounted.

Hell-Forged Armour: Armour Equipment.

Follows the rules for Plate Armour (can be enchanted as if it was Plate Armour). The wearer's model gains Aegis (5+, against Toxic Attacks).

Insignificant:

Light Armour: Armor +1

Light Troops: Units composed entirely of models with Light Troops are allowed to make any number of Reforms when performing Advance Moves or March Moves. They are allowed to shoot even if they Marched or Reformed. No model can end its movement with its centre further away than its March Rate from its starting position, around any obstructions (including the Unit Spacing rule). This means that when checking the distance travelled by a model, check the path the model would have taken if it was alone, with the exception that the unit as a whole cannot break the Unit Spacing rule while performing the move. If a model performed any action during the movement (such as a Sweeping Attack), the distance moved is counted from its starting position to the point on the Battlefield where it performed that action and then to its final position.

If more than half the models in a unit have Light Troops, the unit always counts as having 0 Full Ranks. Characters with Light Troops that are joined to units with one or more models without Light Troops, lose this rule for as long as they remain with the unit. An Infantry Character joined to an Infantry unit with both Light Troops and the same Size as the Character gains Light Troops for as long as it remains with the unit.

Paired Weapons: The wielder gains +1 Attack Value when using Paired Weapons. Attacks made with Paired Weapons gain +1 Offensive Skill and ignore Parry. A model using this weapon cannot simultaneously use a Shield against Melee Attacks.

Path of the Exiled: Units with more than half of their models with Path of the Exiled must reroll failed Break Tests. At the end of step 7 of a Round of Combat (after taking Break Tests), models with Path of the Exiled in a unit that failed a Break Test simultaneously perform Close Combat Attacks (ignoring the rules for Initiative Order, but otherwise following the normal rules such as Supporting Attacks and Allocating Attacks). Afterwards, they are removed as casualties. Models with Path of the Exiled cannot join or be joined by models with Path of the Favoured.

Path of the Favoured: Universal Rule.

Units with more than half of their models with Path of the Favoured must reroll failed Break Tests. In addition, model parts with Path of the Favoured upgraded to a Champion additionally gain +1 Health Point to a maximum of 3, and their Discipline is set to 9.

Release the Hounds: Universal Rule.

One use only. May be activated at the start of a friendly Player Turn (all models in a unit must activate this rule at the same time). The model gains +6" March Rate and Devastating Charge (+1 Att, +1 Str) during this Player Turn.

Scoring: Units with at least one model with Scoring are considered to be Scoring Units, which are used for winning Secondary Objectives (see section XVI.2 "Scoring Secondary Objectives", page 67). Every army needs a few Scoring units to be able to complete Secondary Objectives, which is why units with Scoring are marked in the Army Books with a special pennant icon:

Scoring can be lost during the game:

- A unit that is Fleeing loses Scoring for as long as it is Fleeing.
- An Ambushing unit that enters the Battlefield on Game Turn 4 or later loses Scoring.
- A unit that has performed a Post-Combat Reform loses Scoring until the start of the following Player Turn.

Spiked Shield: Models on foot only.

Follows the rules for Shields (can be enchanted as if it was a Shield). For each successful Armour Save roll of 4+ made by the bearer against a Melee Attack while using a Spiked Shield, the bearer immediately inflicts 1 hit with the bearer's Strength and Armour Penetration against the model that caused the wound, before any casualties are removed, distributed onto the model's Health Pool. This is considered a Special Attack.

Wizard Apprentice: - Knows 1 spell.

- Can select between the Learned Spell 1 of its chosen Path and the Hereditary Spell of its army.

The Wizard selects its spells as described in Spell Selection

.

Qr codes of your army

Your can print this page to have all your army's units qrcode and cut them to stick them on your units, with them you can directly access to the unit's profil with your phone.
