Magics

Racial Trait Spell

	Casting	Range	Type	Duration
H Breath of the Lady				
Mf	7+		Caster	Last one Turn
Add two Orison Tokens to your Orison Token pool.				

Druidism

Nature's Call: All Wizards that know at least one Druidism spell (excluding Bound Spells) know the Learned Spell The Oaken Throne in addition to their other spells.

		Casting	Range	Type	Duration	Effect
5	Stone Skin	10+ <<9+>>	12"	Augment	Last one Turn	The Range of this spell can be measured from the Caster or from any Hill Terrain Feature on the board. The target gains +2 {+3} Resilience.
3	Entwining Roots	<6+> <<5+>>	12"	Hex	Last one Turn	The Range of this spell can be measured from the Caster or from any Forest Terrain Feature on the board. The target suffers <-1> <<-2>> Offensive Skill, <-1> <<-2>> Defensive Skill, and <-1> <<-2>> to hit with Shooting Attacks.
4	Summer Growth	11+ <<10+>>	24"	Augment	Instant	This spell has different effects depending on the target: Standard Infantry/Beast**: Raise 4 {6} Health Points. Towering Presence**: Raise 1 {1} Health Point. Anything else***: Raise 2 {3} Health Points. * More than half of the models in the unit are both Standard Height and either Type Infantry or Beast Type. ** More than half of the models in the unit have Towering Presence. *** Use this if neither of the above is applies.
6	Spirits of the Wood	7+ {6+}	12"	Augment, {Universal}	Last one Turn	<If the target is an enemy unit Engaged in Combat, the spell has no effect. Otherwise,> place a Forest Terrain Feature underneath the target (this can be substituted by placing a marker or the spell card next to the unit). This Forest always extends to the edges of the target's Unit Boundary (even if the unit moves or changes formation). If the target is a friendly unit, it gains Strider (Forest).
1	Healing Waters	7+ <<6+>>	18"	Augment	Last one Turn	The Range of this spell can be measured from the Caster or from any Water Terrain Feature on the board. The target gains Fortitude (5+) {(4+)}.
A	Fountain of Youth		12"	Augment, Focused	Instant	The target or its unit Recovers {Raises} 1 Health Point. This spell can only be cast once per phase.
0	The Oaken Throne	4+	Caster	Caster	Permanent	If any friendly Caster is affected by The Oaken Throne, certain spells are cast with an amplified version. Use any text marked with {} and ignore any red text . The Oaken Throne must already be in play when a spell is cast in order to use the {amplified} Attribute. This spell is ended if any friendly Caster attempts to cast The Oaken Throne again, or if the opponent removes a dice from their Magic Dice pool at the end of step 3 of any Magic Phase sequence (after Siphon the Veil).
2	Master of Earth	6+ <<5+>>	18"	Hex, Damage, Direct	Instant	The range of this spell can be measured from the Caster or from any Impassable Terrain Feature on the board. The target suffers 1D6 hits with Strength <4> <<5>>, Armour Penetration <1> <<2>> and Magical Attacks .

Magic items

Lucky Charm: One use only. May be activated when the bearer's model fails an Armour Save. This failed Armour Save may be rerolled.

Magic banners

Stalker's Standard: The bearer's unit gains Strider.

Model Rules

Beloved: Universal Rule.

While the model is joined to a unit with at least one Full Rank, it gains Stand Behind.

Courage: The model gains Aegis (+1, max. 4+) with the following restriction: The effect can only be used against wounds against which the model cannot take or would automatically fail its any Armour Saves. Units with more than half of their models with Courage ignore friendly units consisting entirely of models with Ordeal for the purpose of Panic Tests.

Devastating Charge: Attacks & Weapons, Melee

A charging model part with Devastating Charge, or using a weapon with Devastating Charge, gains the Model Rules and Characteristic modifiers stated in brackets. For example, a charging model part with Devastating Charge (+1 Strength, Poison Attacks) gains +1 Strength and Poison Attacks when it is charging. This rule is cumulative: a model part with several instances of Devastating Charge applies all Attack Attributes and Characteristics modifiers from all of them when charging.

Feigned Flight: A unit consisting solely of models with Feigned Flight that voluntarily chooses to Flee as a Charge Reaction, and subsequently passes a Rally Test in its next Player Turn, doesn't become Shaken. Furthermore, the Reform that is made after Rallying in this case doesn't prevent the unit from moving nor from shooting (but it still counts as having moved for shooting purposes). This rule cannot be applied if a unit fails to rally on the next friendly

Player Turn or involuntarily Flees, such as a result of a failed Panic Test or if it was already Fleeing when being charged.

Hand Weapon: All models come equipped with a Hand Weapon as their default equipment. If a model has any Close Combat Weapon other than a Hand Weapon, it cannot choose to use the Hand Weapon (unless specifically stated). Hand Weapons wielded by models on foot can be used alongside a Shield, then giving Parry

Harnessed: Model parts with Harnessed cannot make Supporting Attacks and cannot use Weapons. Shooting Weapons carried by model parts with Harnessed can be used by other model parts of the same model (as long as they do not have Harnessed or Inanimate). A model with with at least one model part with Harnessed is considered to be mounted.

Heavy Armour: +2 Armor

Honesty: The model gains Aegis (+1, against Magical Attacks, max. 4+)

Lance: Attacks made with a Lance and allocated toward models in the wielders' Front Facing gain Devastating Charge (+2 Strength, +2 Armour Penetration). Infantry cannot use Lances.

Lance Formation: Close Combat

The model gains Fight in Extra Rank, and its maximum number of Supporting Attacks is increased by 1. If more than half of a unit's models have Lance Formation and the unit is 3 or 4 models wide, it counts as being in Line Formation and only needs to be 3 models wide in order to form Full Ranks.

Light Armour: Armor +1

Light Lance:

Light Troops: Units composed entirely of models with Light Troops are allowed to make any number of Reforms when performing Advance Moves or March Moves. They are allowed to shoot even if they Marched or Reformed. No model can end its movement with its centre further away than its March Rate from its starting position, around any obstructions (including the Unit Spacing rule). This means that when checking the distance travelled by a model, check the path the model would have taken if it was alone, with the exception that the unit as a whole cannot break the Unit Spacing rule while performing the move. If a model performed any action during the movement (such as a Sweeping Attack), the distance moved is counted from its starting position to the point on the Battlefield where it performed that action and then to its final position.

If more than half the models in a unit have Light Troops, the unit always counts as having 0 Full Ranks. Characters with Light Troops that are joined to units with one or more models without Light Troops, lose this rule for as long as they remain with the unit. An Infantry Character joined to an Infantry unit with both Light Troops and the same Size as the Character gains Light Troops for as long as it remains with the unit.

Ordeal: The model gains Aegis (+1, max. 5+) with the following condition: Its unit must be Engaged in the same Combat as at least one other friendly unit containing one or more models with Courage or Honesty.

Units consisting entirely of models with Ordeal are ignored by units with more than half of their models with Courage for the purpose of Panic Tests.

Orison: At the start of step 7 of the Pre-Game Sequence (Spell Selection), each model with Orison (X) adds X Orison Tokens to its owner's Orison Token pool. Any player's Orison Token pool can never contain more than 6 Orison Tokens. At the start of any phase or Round of Combat, one or more Orison Tokens can be removed from the Orison Token pool. For each removed token, choose one friendly non-Fleeing unit within 8" of any friendly non-Fleeing model with Orison (X).

The chosen unit gains one of the following effects:

- Holy Strike: Model parts without Harnessed gain +1 to hit with their Close Combat Attacks.
- Holy Shield: Aegis (+1, max. 4+).
- Holy Wrath: Fear; any model that already has Fear gains Terror instead.

Several instances of an effect on the same model are not cumulative, and a single unit can only be the target of one Orison per phase unless specifically stated otherwise. The effects last until the end of the phase.

Scoring: Units with at least one model with Scoring are considered to be Scoring Units, which are used for winning Secondary Objectives (see section XVI.2 "Scoring Secondary Objectives", page 67). Every army needs a few Scoring units to be able to complete Secondary Objectives, which is why units with Scoring are marked in the Army Books with a special pennant icon:

Scoring can be lost during the game:

- A unit that is Fleeing loses Scoring for as long as it is Fleeing.
- An Ambushing unit that enters the Battlefield on Game Turn 4 or later loses Scoring.
- A unit that has performed a Post-Combat Reform loses Scoring until the start of the following Player Turn.

Shield: +1 Armour Hand Weapons wielded by models on foot can be used alongside a Shield, then giving Parry.

Vanguard: After Deployment (including units with Scout), models with Vanguard may perform a 12" move. The move is performed as an Advance Move in the Movement Phase, including any actions and restrictions the unit would normally have (such as Wheeling, Reforming, joining units, leaving units and so on). The 12" distance is used instead of the unit's Advance Rate and March Rate. This move cannot be used to move within 12" of enemy units. This is decreased to 6" for enemy units which have either Scouted or Vanguarded. Units that have moved in this way may not Declare Charges in the first Player Turn (if their side has the first turn). If both players have units with Vanguard, alternate moving units one at a time, starting with the player that finished deploying last. Instead of moving a unit, a player may declare to not move any more Vanguarding units.

Wizard Apprentice: - Knows 1 spell.

- Can select between the Learned Spell 1 of its chosen Path and the Hereditary Spell of its army.

The Wizard selects its spells as described in Spell Selection

Qr codes of your army

You can print this page to have all your army's units qrcode and cut them to stick them on your units, with them you can directly access to the unit's profil with your phone.
