Options	Champion • Musician • Standard Bearer
---------	---------------------------------------

### Magics

Racial Trait Spell

	Casting	Range	Type	Duration
<b><i>Favour of Meladys</i></b>				
<i>Mf</i>	10+	Caster		Last one Turn
<p><i>Immediately after successfully casting the spell, add one Veil Token to your Veil Token pool.</i></p> <p><i>When a friendly unit within 18" of the Caster suffers a wound before Special Saves, you may discard a Veil Token from your Veil Token pool instead and the wound is ignored. An attack with Multiple Wounds will inflict one wound less than usual instead. For Standard Infantry, up to 2 wounds are ignored per token provided they are suffered simultaneously. A maximum of two Veil Tokens may be discarded each phase for this purpose. Characters and Gigantic models can only ignore a single wound this way per phase.</i></p>				

### Magic items

**Book of Meladys:** Once per Magic Phase, the bearer may reroll a single Magic Dice whenmaking a casting roll, provided the spell was not Miscast. When rerolling a natural '1', the rerolled Magic Dice benefitsfrom Fizzle (if the Casting Attempt fails) regardless of the value rolled from the reroll.

### Magic banners

**Banner of Discipline:** The bearer's unit may reroll failed Panic Tests. If the Battle Standard Bearer or the General is part of the bearer's unit, it automatically passes Panic Tests instead.

### Model Rules

**Bodyguard:** When a Character is joined to a unit in which at least one model has Bodyguard, that Character gains Stubborn. When Characters or Character types are stated in brackets, Bodyguard only works for the specified Characters or Character types.

**Bow:**

**Cover Volley:** Attack Attribute - Shooting.

When an enemy unit declares a Charge against another unit containing one or more models with Martial Discipline in the Charge Phase, a single friendly unit containing one or more models with Cover Volley may immediately perform a Stand and Shoot Charge Reaction with the following conditions and restrictions:

- The distance between the Charger and the Charged unit must be greater than the Charger's Advance Rate (using the lowest value among the Charging models if there is more than one).
- The unit with Cover Volley is within 12" of the Charged unit.
- Only model parts with Cover Volley may shoot, and they may only shoot once per Charge Phase.
- The unit must use Stand and Shoot before the Charged unit declares its Charge Reaction. If the Charge is no longer possible after the unit's Stand and Shoot (e.g. due to the Charging unit being destroyed or failing a Panic Test), the Charged unit does not declare any Charge Reaction.
- The Stand and Shoot Charge Reaction is performed as if the enemy had declared the Charge against the unit with Cover Volley in their current position (apply the normal rules for the Stand and Shoot Charge Reaction, i.e. the Charging unit must be Located in the Front Arc of the unit with Cover Volley, the unit with Cover Volley cannot be Shaken or Fleeing, etc.).

**Great Weapon:** Attacks made with a Great Weapon gain +2 Strength, +2 Armour Penetration and always strike at Initiative Step 0 (regardless of the wielder's Agility). A model using this weapon cannot simultaneously use a Shield against Melee Attacks

**Hand Weapon:** All models come equipped with a Hand Weapon as their default equipment. If a model has any Close Combat Weapon other than a Hand Weapon, it cannot choose to use the Hand Weapon (unless specifically stated). Hand Weapons wielded by models on foot can be used alongside a Shield, then giving Parry

**Heavy Armour:** +2 Armor

**Light Armour:** Armor +1

### Lightning Reflexes:

**Lion's Fur:** If on foot, the wearer gains +1 Armour which is improved to +2 Armour against Shooting Attacks. Lion's Fur cannot be taken by a model with Dragonforged Armour.

**Martial Discipline:** If more than half of a unit's models have Martial Discipline, their Discipline Tests are subject to Minimised Roll except for Panic and Break Tests.

**Master of Spellcrafting:** The Wizard's spells have their Casting Value reduced by 1. When performing a Casting Attempt with a single Magic Dice, a natural roll of '1' or '2' is always a failed Casting Attempt, regardless of any modifiers.

**Multiple Wounds:** Attacks & Weapons, Melee

Unsaved wounds caused by the attacks are multiplied into the value given in brackets (X). If the value is a dice (e.g. Multiple Wounds (D3)), roll one dice for each unsaved wound with Multiple Wounds. The amount of wounds that the attack is multiplied into can never be higher than the Health Points Characteristic of the target (excluding Health Points lost previously in the battle). For example, if a Multiple Wounds (D6) attack wounds a unit of Trolls (HP 3) and rolls a '5' for the multiplier, the number of unsaved wounds is reduced to 3, even if the Troll unit has already lost one or two Health Points previously in battle.

If Clipped Wings is stated after the X value in brackets, any unsaved wound caused by the attack against a model with Fly is multiplied into X+1 instead of X.

**Scoring:** Units with at least one model with Scoring are considered to be Scoring Units, which are used for winning Secondary Objectives (see section XVI.2 "Scoring Secondary Objectives", page 67). Every army needs a few Scoring units to be able to complete Secondary Objectives, which is why units with Scoring are marked in the Army Books with a special pennant icon:

Scoring can be lost during the game:

- A unit that is Fleeing loses Scoring for as long as it is Fleeing.
- An Ambushing unit that enters the Battlefield on Game Turn 4 or later loses Scoring.
- A unit that has performed a Post-Combat Reform loses Scoring until the start of the following Player Turn.

**Shield:** +1 Armour Hand Weapons wielded by models on foot can be used alongside a Shield, then giving Parry.

### Spear:

**Steady Aim:** Attack Attribute - Shooting.

The model can shoot from the third rank (in addition to the 1st and 2nd) and it does not suffer to-hit penalties for Stand and Shoot Charge Reactions.

**Strider:** The model automatically passes Dangerous Terrain Tests taken due to Terrain.

If more than half of a unit's models have Strider, the unit never loses their Steadfast or Rank Bonus due to Terrain.

Sometimes Strider is linked to a specific type of Terrain, stated in brackets.

In this case, models with Strider are considered Striders only when interacting with such type of Terrain.

**Sword Sworn:** Attack Attribute - Close Combat.

The model part gains a +1 to-hit modifier when attacking with a Great Weapon.

**Valiant:** The model is immune to the effects of Fear. If more than half of a unit's models have Valiant, the unit automatically passes Panic Tests caused by Terror.

**Wizard Adept:** - Knows 2 spells.

- Can select from the Learned Spells 1, 2, 3, and 4 of its chosen Path and the Hereditary Spell of its army.

The Wizard gains Channel (1) and selects its spells as described in Spell Selection.

## Qr codes of your army

You can print this page to have all your army's units qrcode and cut them to stick them on your units, with them you can directly access to the unit's profil with your phone.
