## Magics

Racial Trait Spell

	Casting	Range	Type	Duration
<i>H rep Spear of Infinity</i>				
<i>Mf</i>	4+	24"	Hex, Missile, Damage	Instant
<p><i>The target suffers 1 hit with Strength 2 [5], Armour Penetration 2, Area Attack (1x5), and [Multiple Wounds (2)].</i>  <i>The hits from Spear of Infinity gain +1 Strength for each other non-Attribute Spell successfully cast in this Magic Phase (including other instances of Spear of Infinity).</i></p>				

**The Conclave:** Spells from Divination gain +3" range up to a maximum of +9" for each additional friendly Wizard within 12" of the Caster. This bonus can never increase the combined modifier beyond +9", however other sources may.

		Casting	Range	Type	Duration	Effect
A	Guiding Light		12"	Augment	Last one Turn	Discipline Tests of units with all models affected by the spell are subject to Minimised Roll. A unit cannot be affected by this spell more than once per Magic Phase.
1	Know Thy Enemy	<7+> {12+}	<18"> {6"Aura}	Augment	Last one Turn	The target gains +2 Offensive Skill, +2 Defensive Skill, and +2 Agility.
2	Fate's Judgement	<5+> {9+}	18"	Hex, Missile, Damage	Instant	The target suffers <1D3> {1D6} hits that wound automatically with Armour Penetration 0 and Magical Attacks, with no Special Saves allowed (note that Armour Saves are allowed).
3	Scrying	<7+> {12+}	<18"> {6"Aura}	Augment	Last one Turn	The target gains Distracting and Hard Target.
4	The Stars Align	<8+> {12+}	<18"> {6"Aura}	Augment	Last one Turn	The target gains Divine Attacks. In addition, it must reroll failed to-hit rolls with Close Combat <and Shooting> Attacks.
5	Unerring Strike	<7+> {10+}	18"	Hex, Missile, Damage	Instant	The target suffers <2D6> {3D6} hits that wound on 4+ with Armour Penetration 1, <b>Divine Attacks and Magical Attacks</b> .
6	Portent of Doom	8+	24"	Hex	Permanent	When calculating Combat Score, a side with units containing at least one model affected by the spell suffers -X to its Combat Score (for each affected unit and instance of the spell), where X is equal to the number of Characters in the unit, increased by 1 if the unit contains any R&F models. A Character leaving a unit that was the target of the spell no longer is affected by the spell, unless the Character was a single model unit that was the initial target of the spell.

### Evocation

		Casting	Range	Type	Duration	Effect
<b>A</b>	Evocation of Souls				Instant	If your Veil Token pool contains less than 3 Veil Tokens, you gain one Veil Token. No more than 1 Veil Token can be gained from this spell each Phase.
<b>1</b>	Spectral Blades	5+ [9+]	18"	Augment	Last one Turn	The target must reroll failed to-wound rolls with its Melee Attacks and gains <a href="#">[Lethal Strike]</a> .
<b>2</b>	Whispers of the Veil	8+	24"	Hex	Last one Turn	The target suffers -1 Resilience. In addition, a unit with at least one model affected by one or more instances of the spell suffers -1 Discipline.
<b>3</b>	Hasten the Hour	7+ [10+]	24" [18"]	Hex, Damage, Direct	Instant	Choose <b>1</b> {up to 3 different} models in the target unit (which may be Characters or Champions). Each of them suffers 1 hit that wounds automatically with Armour Penetration 10 and Magical Attacks.
<b>4</b>	Ancestral Aid	6+ [7+]	12" [18"]	Augment	Last one Turn	The target must reroll failed to-hit rolls with its Close Combat Attacks.
<b>5</b>	Touch of the Reaper	<7+> [9+]	<24"> [18"]	Hex, Missile, Damage, Focused, Direct	Instant	The target suffers 1D3 hits with Strength 10, Armour Penetration 10, and <b>Magical Attacks</b> . When rolling to wound with this attack, use the target's Discipline instead of the target's Resilience.
<b>6</b>	Danse Macabre	6+ [9+]	18" [9"Aura]	Augment	Instant	The target may perform a <b>12"</b> [6"] Magical Move and gains Ghost Step during this move.

### Thaumaturgy

**Judgement on High:** When casting non-Bound Spells from this Path, all Magic Dice that result in '1' must be rerolled. Dice causing a Miscast cannot be rerolled. If a Caster Miscasts when casting a spell from this Path, add a +1 Miscast Modifier.

		Casting	Range	Type	Duration	Effect
<b>5</b>	Wrath of God	12+	96"	Ground	Permanent	Place a counter on the target point. At the end of each subsequent Magic Phase roll a D6; if 1-3 is rolled, add another counter on the same point. If 4-6 is rolled, each unit within (2D6+X)", where X is equal to the number of counters, suffers 2D6 hits with Strength 5, Armour Penetration 2, and Magical Attacks. If a unit fails a Panic Test forced by the spell, it flees directly away from the marked point. The spell then ends, remove all counters.
<b>4</b>	Cleansing Fire	5+ [8+]	Caster [18"]	[Augment], Focused	Instant	The target gains Breath Attack (Strength D3+2, Armour Penetration 1, Magical Attacks). (Roll the D3 immediately after successfully casting this spell.) <a href="#">[This spell may only target Characters, Champions, and single model units.]</a>
<b>6</b>	Trial of Faith	7+ [10+]	12" [18"]	Hex, Missile, Damage, Focused, Direct	Instant	The Caster rolls D3+1 and the target rolls D3. If the Caster's roll is higher, the target suffers a number of hits equal to the difference between their respective rolls. These hits wound automatically with Armour Penetration 10 and Magical Attacks.
<b>2</b>	Smite the Unbeliever	6+ [9+]	24"	Hex	Last one Turn	<b>Immediately after successfully casting this spell, roll a D6.</b> <a href="#">[Choose which effect to apply when casting the spell.]</a> - If 1-3 is rolled, the target suffers -1 Resilience. - If 4-6 is rolled, the target suffers -1 Strength and -1 Armour Penetration.
<b>1</b>	Hand of Heaven	5+ [8+]	24"	Hex, Missile, Damage	Last one Turn	The target suffers <b>D6</b> [D6+1] hits with Strength <b>D6</b> [D6+1], Armour Penetration <b>2</b> [3], and Magical Attacks.
<b>3</b>	Speaking in Tongues	7+	18"	Universal	Last one Turn	If this spell targets a friendly unit, the target may reroll failed Discipline Tests. If this spell targets an enemy unit, the target can never reroll failed Discipline Tests.

## Model Rules

**Acid Blood:** For each Fortitude Save the model fails against enemy Melee Attacks, the model immediately inflicts 1 hit with Toxic Attacks on the model that caused the wound, before any casualties are removed, distributed onto the model's Health Pool.

**Aether Battery:** Artillery Weapon.

Volley Gun. Range 18", Shots 2D6x2, Str 4, AP 1.

Before rolling for the number of shots, the owner may choose to discard 1-3 Veil Tokens from their Veil Token pool. If so, the number of shots is increased by 3 per discarded Veil Token.

**Crush Attack:**

**Dominion of Sloth:** The model gains **Aegis (+1, against Special Attacks)**.

**Fear:** Units in base contact with one or more enemy models with Fear suffer -1 Discipline. At the start of each Round of Combat, such units must take a Discipline Test, called a Fear Test. If this test is failed, the models in the unit are Shaken until the end of the Round of Combat. Models that have Fear themselves are immune to the effects of Fear.

**Fearless:** If more than half of a unit's models are Fearless, the unit automatically passes Panic Tests and Decimated Tests and cannot declare a Flee Charge Reaction (unless already Fleeing). Models that are Fearless are also immune to the effects of Fear.

**Fly:** The model gains Light Troops and Swiftstride. Units composed entirely of models with Fly may make Flying Movements when performing a Move Chargers move, an Advance Move, or a March Move. When a unit makes a Flying Movement, substitute its models' Advance Rate with the first value given in brackets (X), and their March Rate with the second value given in brackets (Y). All modifiers to ground movement values are also applied to the flying values of a model. Units using Flying Movement ignore all Terrain Features and units during the Flying Movement (from their starting to their ending position), but must abide by the Unit Spacing rule at the end of the move (unless charging, when the normal exceptions to the Unit Spacing rule apply). They are still affected by the effects of the Terrain Features from which they take off and in which they land.

**Fortitude:** Fortitude is a Special Save. Fortitude Saves cannot be taken against attacks with Lethal Strike that rolled a natural 6+ to wound, or against attacks with Flaming Attacks

**Hand Weapon:** All models come equipped with a Hand Weapon as their default equipment. If a model has any Close Combat Weapon other than a Hand Weapon, it cannot choose to use the Hand Weapon (unless specifically stated). Hand Weapons wielded by models on foot can be used alongside a Shield, then giving Parry

**Hellish Growl:** At the start of each Round of Combat, enemy units in base contact with one or more models with Hellish Growl **must** take a Discipline Test with a -1 modifier. Failed to-wound rolls from attacks made by the model against units that fail this test **must** be rerolled. The effect lasts until the end of the Round of Combat.

**Lethal Strike:** If the attack wounds with a natural to-wound roll of 6+, its Armour Penetration is set to 10 and the target of the attack cannot take a Regeneration save against it.

**Light Troops:** Units composed entirely of models with Light Troops are allowed to make any number of Reforms when performing Advance Moves or March Moves. They are allowed to shoot even if they Marched or Reformed. No model can end its movement with its centre further away than its March Rate from its starting position, around any obstructions (including the Unit Spacing rule). This means that when checking the distance travelled by a model, check the path the model would have taken if it was alone, with the exception that the unit as a whole cannot break the Unit Spacing rule while performing the move. If a model performed any action during the movement (such as a Sweeping Attack), the distance moved is counted from its starting position to the point on the Battlefield where it performed that action and then to its final position. If more than half the models in a unit have Light Troops, the unit always counts as having 0 Full Ranks. Characters with Light Troops that are joined to units with one or more models without Light Troops, lose this rule for as long as they remain with the unit. An Infantry Character joined to an Infantry unit with both Light Troops and the same Size as the Character gains Light Troops for as long as it remains with the unit.

**Not a Leader:** The model cannot be the General.

**Omniscience:** In the owner's Magic Phase, if the model did not March Move or declare a Charge this Player Turn, the cost of converting Veil Tokens into Magic Dice is decreased to 2:1 during this Player Turn (1 Magic Dice per 2 Veil Tokens).

**Parry:**

**Scoring:** Units with at least one model with Scoring are considered to be Scoring Units, which are used for winning Secondary Objectives (see section XVI.2 "Scoring Secondary Objectives", page 67). Every army needs a few Scoring units to be able to complete Secondary Objectives, which is why units with Scoring are marked in the Army Books with a special pennant icon:

Scoring can be lost during the game:

- A unit that is Fleeing loses Scoring for as long as it is Fleeing.
- An Ambushing unit that enters the Battlefield on Game Turn 4 or later loses Scoring.
- A unit that has performed a Post-Combat Reform loses Scoring until the start of the following Player Turn.

**Strider:** The model automatically passes Dangerous Terrain Tests taken due to Terrain.

If more than half of a unit's models have Strider, the unit never loses their Steadfast or Rank Bonus due to Terrain.

Sometimes Strider is linked to a specific type of Terrain, stated in brackets.

In this case, models with Strider are considered Striders only when interacting with such type of Terrain.

**Supernal:**

**Third Eye:** At the start of each friendly Charge Phase, draw the Flux Card for that Player Turn instead of step 2 of the Magic Phase Sequence.

**Tightening Grasp:** The model gains **Grind Attacks (X)**, and can make Grind Attacks as Supporting Attacks, ignoring the maximum number of Supporting Attacks. When the model is not Engaged in Combat, X is **set** to 1. At the start of each Round of Combat that the model's unit is fighting, except for the First Round of Combat, X is increased by 1 (e.g. Grind Attacks (1) becomes Grind Attacks (2)).

**War Platform:** Unless selected as a mount for a Character, a model with War Platform gains Not a Leader and Character, with the following exceptions:

- It does not count towards the Character category (for Army List creation).
- It cannot issue Duels, Accept Duels or Make Way.
- It can perform Swirling Melee.
- It does not count as a Character regarding Bodyguard and Multiple Wounds.

The model can join units even if it has Towering Presence, and having Chariot does not prevent it from joining units without Chariot. When joined to a unit, it must always be placed in the centre of the front rank, possibly pushing back other models with Front Rank, and must keep its position in the centre of the front rank at all times (as long as it is joined to the unit). If two positions are equally central (e.g. in a unit with an even number of models in the first rank and a War Platform replacing an uneven number of models per rank), the War Platform can be placed in either of these positions. If the War Platform cannot be placed in the centre of the front rank (e.g. due to Mismatching Bases or the front rank being too narrow), the model cannot join the unit. This means that a War Platform can never join a unit with Mismatching Bases and that only a single War Platform can be in the same unit unless noted otherwise.

**Wizard Master:** - Knows 4 spells.

- Can select from the Learned Spells 1, 2, 3, 4, 5, and 6 of its chosen Path and the Hereditary Spell of its army.  
The Wizard gains Channel (1) and a +1 modifier to its casting rolls, and selects its spells as described in Spell Selection

## Qr codes of your army

You can print this page to have all your army's units qrcode and cut them to stick them on your units, with them you can directly access to the unit's profil with your phone.
