Magics

Racial Trait Spell

	Casting	Range	Type	Duration
Echoes of the Dark Forest				
Mf	4+ [8+]	18" [36"]	Augment	Last one Turn
<i>The target gains Fear, Fearless, and Terror. Enemy units in base contact with the target suffer -1 Discipline.</i>				

Druidism

Nature's Call: All Wizards that know at least one Druidism spell (excluding Bound Spells) know the Learned Spell The Oaken Throne in addition to their other spells.

		Casting	Range	Type	Duration	Effect
6	Spirits of the Wood	7+ {6+}	12"	Augment, {Universal}	Last one Turn	Place a Forest Terrain Feature underneath the target (this can be substituted by placing a marker or the spell card next to the unit). This Forest always extends to the edges of the target's Unit Boundary (even if the unit moves or changes formation). {If the target is a friendly unit, it gains Strider (Forest).}
0	The Oaken Throne	4+	Caster	Caster	Permanent	If any friendly Caster is affected by The Oaken Throne, certain spells are cast with an amplified version. Use any text marked with {} and ignore any red text. The Oaken Throne must already be in play when a spell is cast in order to use the {amplified} Attribute. This spell is ended if any friendly Caster attempts to cast The Oaken Throne again, or if the opponent removes a dice from their Magic Dice pool at the end of step 3 of any Magic Phase sequence (after Siphon the Veil).
2	Master of Earth	6+ {5+}	18"	Hex, Damage, Direct	Instant	The range of this spell can be measured from the Caster or from any Impassable Terrain Terrain Feature on the board. The target suffers D6 hits with Strength 4 {5}, Armour Penetration 1 {2} and Magical Attacks.
1	Healing Waters	7+ {6+}	12"	Augment	Last one Turn	The Range of this spell can be measured from the Caster or from any Water Terrain Feature on the board. The target gains Fortitude (5+) {(4+)}.

		Casting	Range	Type	Duration	Effect
A	Fountain of Youth		12"	Augment, Focused	Instant	The target or its unit Recovers {Raises} 1 Health Point. No single model can Recover (or Raise) more than 1 Health Point per phase from this spell.
4	Summer Growth	11+ {10+}	24"	Augment	Instant	This spell has different effects depending on the target: Standard Infantry/Beast* : Raise 4 {6} Health Points. Towering Presence** : Raise 1 {1} Health Point. Anything else*** : Raise 2 {3} Health Points. * More than half of the models in the unit are both Standard Height and either Type Infantry or Beast Type. ** More than half of the models in the unit have Towering Presence. *** Use this if neither of the above is applies.
5	Stone Skin	9+ {8+}	12"	Augment	Last one Turn	The Range of this spell can be measured from the Caster or from any Hill Terrain Feature on the board. The target gains +2 {+3} Resilience.
3	Entwining Roots	6+ {5+}	12"	Hex	Last one Turn	The Range of this spell can be measured from the Caster or from any Forest Terrain Feature on the board. The target suffers -1 {-2} Offensive Skill, -1 {-2} Defensive Skill, and -1 {-2} to hit with Shooting Attacks.

Magic items

Aaghor's Affliction: The wearer gains +1 Resilience and **Fortitude (4+)**, but automatically fails all of its Armour Saves.

Basalt Infusion: The wearer gains +1 Armour and Aegis (3+, against Flaming Attacks). The wearer automatically fails all Fortitude Saves.

Crown of Horns: The bearer's unit and all units within range of its Commanding Presence (if applicable) automatically pass Discipline Tests taken due to Primal Instinct.

Dark Rain: One use only. This Artefact is automatically activated at the start of the first Game Turn (if the bearer is not on the Battlefield at this time, the item cannot be used). Its effects last until the end of the Game Turn. If the owner has the second Player Turn, all Shooting Attacks suffer -2 to hit during the opponent's Shooting Phase. If the owner has the first Player Turn, instead all Shooting Attacks suffer -1 to hit during the opponent's Shooting Phase.

Seed of the Dark Forest: One use only. Right before the battle (during step 7 of the Deployment Phase Sequence), the bearer **must** place a single Forest Terrain Feature that **must** be no larger than 10" in length and 6" in width on the Battlefield, not in contact with any other Terrain Feature except Open Terrain, more than 1" away from all enemy units, and with its centre within 12" of the bearer. All friendly models inside this Forest Terrain Feature gain a +1 Casting Modifier for Augment, Hex, and Universal spells, and add (+1/+1) to the Power Level of Totem Bound Spells they cast. A natural roll of '1' or '2' for Casting Attempts with a single Magic Dice from friendly models is **always** a failed Casting Attempt, regardless of any modifiers.

Magic banners

Banner of the Wild Herd: One use only. A single Banner of the Wild Herd per unit may be activated at the start of each Round of Combat. For the duration of this Round of Combat, all Mongrels and Wildhorns in the bearer's unit gain +1 Strength and +1 Armour Penetration.

Rending Banner: One use only. May be activated at the start of a Round of Combat. Close Combat Attacks from R&F models in the bearer's unit gain +1 Armour Penetration until the bearer's unit is no longer Engaged in Combat. A model can only be affected by a single Rending Banner at the same time.

Model Rules

Battle Focus: If the attack hits with a natural to-hit roll of '6', the attack causes two hits instead of one.

Blood Offering: Universal Rule.

A unit that includes at least one Character with Blood Offering may reroll failed Panic Tests at the cost of inflicting one wound with no saves of any kind allowed to a Character with Blood Offering in the unit.

Bodyguard: When a Character is joined to a unit in which at least one model has Bodyguard, that Character gains Stubborn. When Characters or Character types are stated in brackets, Bodyguard only works for the specified Characters or Character types.

Bow:

Fearless: If more than half of a unit's models are Fearless, the unit automatically passes Panic Tests and Decimated Tests and cannot declare a Flee Charge Reaction (unless already Fleeing). Models that are Fearless are also immune to the effects of Fear.

Frenzy: A unit with at least half its models with Frenzy cannot choose Flee as Charge Reaction, and when taking Discipline Tests, apply the following:

- If it is a Panic Test, Decimated Test or Fear Test: the unit gains +2 Discipline.
- If it is a Break Test, roll the test as normal.
- If it is any other Discipline Test, the unit suffers -2 Discipline.

At the start of the Charge Phase, each of your units with at least one model with Frenzy that could Declare a Charge against an enemy unit within the unit's Advance Rate +7" (using the lowest Advance Rate among the unit's models; if a model has more than 1 Advance Rate available, use the highest one) must take a Discipline Test, called a Frenzy Test. If the test is failed, the whole unit must Declare a Charge this Player Turn. Note that Characters are never forced to charge out of their units.

Hand Weapon: All models come equipped with a Hand Weapon as their default equipment. If a model has any Close Combat Weapon other than a Hand Weapon, it cannot choose to use the Hand Weapon (unless specifically stated). Hand Weapons wielded by models on foot can be used alongside a Shield, then giving Parry

Hard Target:

Heavy Armour: +2 Armor

Impact Hits: At Initiative Step 10, a charging model part with Impact Hits must choose an enemy unit that is in base contact with the attacking model's Front Facing. This unit suffers a number of hits equal to the value stated in brackets (X). These hits are resolved with the attacking model part's Strength and Armour Penetration. If a model has both Grind Attacks and Impact Hits, it may only use one of these rules in the same Round of Combat (its controlling player may choose which). In multipart models, only model parts that also have Harnessed or Inanimate can use their Impact Hits. When several models in the same unit have Impact Hits, and when X is a random number (e.g. Impact Hits (D6)), roll for the number of hits separately for each model part.

Light Armour: Armor +1

Light Troops: Units composed entirely of models with Light Troops are allowed to make any number of Reforms when performing Advance Moves or March Moves. They are allowed to shoot even if they Marched or Reformed. No model can end its movement with its centre further away than its March Rate from its starting position, around any obstructions (including the Unit Spacing rule). This means that when checking the distance travelled by a model, check the path the model would have taken if it was alone, with the exception that the unit as a whole cannot break the Unit Spacing rule while performing the move. If a model performed any action during the movement (such as a Sweeping Attack), the distance moved is counted from its starting position to the point on the Battlefield where it performed that action and then to its final position.

If more than half the models in a unit have Light Troops, the unit always counts as having 0 Full Ranks. Characters with Light Troops that are joined to units with one or more models without Light Troops, lose this rule for as long as they remain with the unit. An Infantry Character joined to an Infantry unit with both Light Troops and the same Size as the Character gains Light Troops for as long as it remains with the unit.

Pack Tactics: Units fully composed of models with Pack Tactics gain Swiftstride for the Charge Range roll if they are Located in the Charged unit's Flank or Rear Facing when rolling their Charge Range in the Charge Phase.

Primal Instinct: Attack Attribute – Close Combat

At the start of each Round of Combat, each unit with one or more model parts with this Attack Attribute must take a Discipline Test.

If the test is passed, all model parts with Primal Instinct in the unit must reroll failed to-hit rolls during this Round of Combat.

Scoring: Units with at least one model with Scoring are considered to be Scoring Units, which are used for winning Secondary Objectives (see section XVI.2 "Scoring Secondary Objectives", page 67). Every army needs a few Scoring units to be able to complete Secondary Objectives, which is why units with Scoring are marked in the Army Books with a special pennant icon:

Scoring can be lost during the game:

- A unit that is Fleeing loses Scoring for as long as it is Fleeing.
- An Ambushing unit that enters the Battlefield on Game Turn 4 or later loses Scoring.
- A unit that has performed a Post-Combat Reform loses Scoring until the start of the following Player Turn.

Shield: +1 Armour Hand Weapons wielded by models on foot can be used alongside a Shield, then giving Parry.

Skirmisher: The model can draw Lines of Sight in any direction (i.e. it is not limited by the Front Arc) from any point on its base (remember that Charge Moves are limited by a single Wheel of no more than 90°, and that Stand and Shoot Charge Reactions can only be done against enemies in the Front Arc) and can always use Shooting Attacks from any rank (they are not limited to shooting from first and second rank).

Units with at least one R&F model with Skirmisher are formed into a skirmish formation. They are not placed in base to base contact with each other. Instead, models are placed with a 12.5 mm distance between them. This gap is considered part of the unit for Cover purposes, and will have the same Size as the models in the unit. Other than this gap between models, units with Skirmisher follow the normal rules for forming units and therefore have a Front, two Flanks, a Rear, can perform Supporting Attacks, and so on. Units in skirmish formation gain Hard Target and Light Troops, never block Line of Sight, and when units in skirmish formation would contribute to Hard Cover, they contribute to Soft Cover instead.

Strider: The model automatically passes Dangerous Terrain Tests taken due to Terrain.

If more than half of a unit's models have Strider, the unit never loses their Steadfast or Rank Bonus due to Terrain.

Sometimes Strider is linked to a specific type of Terrain, stated in brackets.

In this case, models with Strider are considered Striders only when interacting with such type of Terrain.

Wizard Apprentice: - Knows 1 spell.

- Can select between the Learned Spell 1 of its chosen Path and the Hereditary Spell of its army.

The Wizard selects its spells as described in Spell Selection

Qr codes of your army

You can print this page to have all your army's units qrcode and cut them to stick them on your units, with them you can directly access to the unit's profil with your phone.
