Model Rules	Undead • Dust to Dust • Wizard Apprentice									

Magics

Model Rules

Dust to Dust: At the end of any phase in which the Hierophant is removed as a casualty, every unit in the army with one or more models with Dust to Dust must pass a Leadership Test or suffer a number of wounds equal to the amount by which the test was failed with no saves of any kind allowed. These wounds are distributed following the rules for Unstable, except that they can never be distributed to models that do not have Dust to Dust. The number of wounds inflicted is reduced by 1 if the unit is receiving Hold Your Ground.

At the end of the Player Turn in which the Hierophant was removed as a casualty, a new Hierophant may be selected. In order to do so, nominate an eligible Character who is a Wizard using Evocation. This Character is your new Hierophant.

At the start of each friendly Player Turn in which the army's Hierophant has been removed as a casualty (and no new Hierophant has been selected), every unit with the Dust to Dust special rule must once again pass a Leadership Test or suffer wounds as described above.

Undead: Units with this special rule gain Unstable and Immune to Psychology. Undead units cannot March, unless they start their move within the range of a friendly model's Inspiring Presence. The only Charge Reaction an Undead unit can make is Hold.

Wizard Apprentice: Wizard Apprentices add +1 to their casting and dispelling rolls.

Qr codes of your army

You can print this page to have all your army's units qrcode and cut them to stick them on your units, with them you can directly access to the unit's profil with your phone.
