Magics				
Racial Trait Spell				
	Casting	Range	Type	Duration
	<i>H Curse of the Phantom Queen</i>			
<i>Mf</i>	7+	Caster	Caster	Last one Turn

Casting

Range

Type

Duration

You gain one Veil Token that is not removed at the end of the spell's duration. When an enemy unit inflicts one or more Health Point losses on a friendly unit within 18" of the Caster, you may discard up to two Veil Tokens from your Veil Token pool. For every discarded Veil Token, the enemy unit immediately suffers D3+1 hits with Strength 4, Armour Penetration 2, and Magical Attacks. These hits are considered Ranged Attacks.

Evocation

		Casting	Range	Type	Duration	Effect
5	Touch of the Reaper	<7+> {9+}	<24"> {18"}	Hex, Missile, Damage, Focused, Direct	Instant	The target suffers 1D3 hits with Strength 10, Armour Penetration 10, and Magical Attacks . When rolling to wound with this attack, use the target's Discipline instead of the target's Resilience.
3	Hasten the Hour	7+ [10+]	24" [18"]	Hex, Damage, Direct	Instant	Choose 1 {up to 3 different} models in the target unit (which may be Characters or Champions). Each of them suffers 1 hit that wounds automatically with Armour Penetration 10 and Magical Attacks.
4	Ancestral Aid	6+ [7+]	12" [18"]	Augment	Last one Turn	The target must reroll failed to-hit rolls with its Close Combat Attacks.
6	Danse Macabre	6+ {9+}	18" [9"Aura]	Augment	Instant	The target may perform a 12" [6"] Magical Move and gains Ghost Step during this move.
1	Spectral Blades	5+ [9+]	18"	Augment	Last one Turn	The target must reroll failed to-wound rolls with its Melee Attacks and gains [Lethal Strike];[color].
4	Evocation of Souls				Instant	If your Veil Token pool contains less than 3 Veil Tokens, you gain one Veil Token. No more than 1 Veil Token can be gained from this spell each Phase.
2	Whispers of the Veil	8+	24"	Hex	Last one Turn	The target suffers -1 Resilience. In addition, a unit with at least one model affected by one or more instances of the spell suffers -1 Discipline.

Magic items

Magical Heirloom: The bearer gains the Hereditary Spell during Spell Selection, always knows it in addition to its other spells, cannot select it during Spell Selection, and cannot replace or otherwise lose it.

Mask of the War Crow: The bearer's unit gains **Fear**. In addition, the bearer and any friendly unit that contains one or more models with Fear within 6"; of the bearer's unit **must** reroll natural to-wound rolls of '1' with its Close Combat Attacks.

Seal of the 9th Fleet: If the bearer's unit consists entirely of Infantry models, it is considered Academy Trained.

Seal of the Republic: For each unsaved wound inflicted on enemy models with the wearer's Close Combat Attacks, the wearer gains +1 Armour for the rest of the game.

Magic banners

Executioner's Icon: The bearer and R&F model parts with Ruthless Efficiency in the bearer's unit gain **Artistry of Death**.

Model Rules

Academy Training: Units with more than half of their models with Academy Training are considered Academy Trained.

While within " of one or more other non-Fleeing, friendly Academy Trained units, Academy Trained units: • Gain **Devastating Charge (+1" Adv)** when declaring their first Charge in any Charge Phase. The effect lasts until the end of the Charge Phase.

Characters without Academy Training that Charge out of the unit are not affected.

• Count as having one additional Full Rank for the purpose of Steadfast and Disrupted if they have at least one Full Rank.

Aegis:

Artistry of Death: The attack gains +1 to wound.

Battle Focus: If the attack hits with a natural to-hit roll of '6', the attack causes two hits instead of one.

Blades of Darag: Close Combat Weapon

Two-Handed. While using this weapon, the model part gains +1 Attack Value, and attacks made with this weapon become Magical Attacks. For each non-Attribute Spell with duration One Turn targeting at least one model in the model part's unit, attacks made with this weapon gain +1 Strength, for as long as the spell's effects are applied. The combined Strength modifiers of the model part and of attacks made with this weapon cannot exceed +2. This weapon cannot be enchanted.

Daeb Bolt Thrower: Artillery Weapon.

Range 24", Shots 8, Str 5, AP 2. Note that the model can move and shoot

Distracting: Close Combat Attacks allocated towards a model with Distracting suffer a -1 to-hit modifier. This to-hit modifier cannot be combined with any other negative to-hit modifiers.

Fly: The model gains Light Troops and Swiftstride. Units composed entirely of models with Fly may make Flying Movements when performing a Move Chargers move, an Advance Move, or a March Move. When a unit makes a Flying Movement, substitute its models' Advance Rate with the first value given in brackets (X), and their March Rate with the second value given in brackets (Y). All modifiers to ground movement values are also applied to the flying values of a model. Units using Flying Movement ignore all Terrain Features and units during the Flying Movement (from their starting to their ending position), but must abide by the Unit Spacing rule at the end of the move (unless charging, when the normal exceptions to the Unit Spacing rule apply). They are still affected by the effects of the Terrain Features from which they take off and in which they land.

Frenzy: At the start of the Charge Phase, each of your nonFleeing units with at least one model with Frenzy that is unengaged, does not contain any Shaken models, and has an enemy unit inside its Front Arc within the unit's Advance Rate +7" must take a Discipline Test, called a Frenzy Test. If the test is failed, the whole unit must declare a Charge this Player Turn if possible.

Frenzy Tests and Restrain Pursuit Tests taken by units with at least one model with Frenzy are subject to Maximised Roll.

If there are different Advance Rates available in the unit, the Advance Rate used for the Frenzy Test and for the Charge Range is determined as follows:

- If a model has more than one Advance Rate (e.g. due to Fly), the model must use the Advance Rate that has the highest chance of completing the Charge.
- If a unit contains models with different Advance Rates, the unit must use the highest Advance Rate that all models in the unit can use (which will usually be the lowest Advance Rate in the unit).

For example, a model with Advance Rate 2" and Fly (8", 16") must use the Advance Rate from Fly. And if a Character in a Combined Unit has Advance Rate 4" while the R&F models have 6", the Combined Unit must use Advance Rate 4". Note that when a unit is forced to declare a Charge due to a failed Frenzy Test, it is not forced to Charge the enemy unit that triggered the Frenzy Test.

Great Weapon: Attacks made with a Great Weapon gain +2 Strength, +2 Armour Penetration and always strike at Initiative Step 0 (regardless of the wielder's Agility). A model using this weapon cannot simultaneously use a Shield against Melee Attacks

Halberd: Attacks made with a Halberd gain +1 Strength and +1 Armour Penetration. A model using this weapon cannot simultaneously use a Shield against Melee Attacks.

Hand Weapon: All models come equipped with a Hand Weapon as their default equipment. If a model has any Close Combat Weapon other than a Hand Weapon, it cannot choose to use the Hand Weapon (unless specifically stated). Hand Weapons wielded by models on foot can be used alongside a Shield, then giving Parry

Harnessed: Model parts with Harnessed cannot make Supporting Attacks and cannot use Weapons. Shooting Weapons carried by model parts with Harnessed can be used by other model parts of the same model (as long as they do not have Harnessed or Inanimate). A model with with at least one model part with Harnessed is considered to be mounted.

Hatred: During the first Round of Combat, failed to-hit rolls from attacks with Hatred must be rerolled.

Heavy Armour: +2 Armor

Hunting Bolas: The roll for Flee Distance of enemy units that Break from Combat while in base contact with one or more models with Hunting Bolas is subject to Minimised Roll.

Irresistible Will: The Casting Values of spells cast by the model are increased by 1. Dispelling rolls against non-Bound spells cast by the model suffer a -2 modifier.

Light Armour: Armor +1

Light Troops: Units composed entirely of models with Light Troops are allowed to make any number of Reforms when performing Advance Moves or March Moves. They are allowed to shoot even if they Marched or Reformed. No model can end its movement with its centre further away than its March Rate from its starting position, around any obstructions (including the Unit Spacing rule). This means that when checking the distance travelled by a model, check the path the model would have taken if it was alone, with the exception that the unit as a whole cannot break the Unit Spacing rule while performing the move. If a model performed any action during the movement (such as a Sweeping Attack), the distance moved is counted from its starting position to the point on the Battlefield where it performed that action and then to its final position.

If more than half the models in a unit have Light Troops, the unit always counts as having 0 Full Ranks. Characters with Light Troops that are joined to units with one or more models without Light Troops, lose this rule for as long as they remain with the unit. An Infantry Character joined to an Infantry unit with both Light Troops and the same Size as the Character gains Light Troops for as long as it remains with the unit.

Lightning Reflexes:

Lightning Reflexes: Close Combat

A Close Combat Attack with Lightning Reflexes gains a +1 to-hit modifier. Model parts with this Attack Attribute wielding Great Weapons do not gain this +1 to-hit modifier, but strike with the Great Weapon at the Initiative Step corresponding to their Agility instead of always striking at Initiative Step 0.

March and Shoot: March Moving in the same Player Turn while affected by this Attack Attribute does not prevent the attack from being performed, unless the attack is also subject to Move or Fire

Not a Leader: The model cannot be the General.

Paired Weapons: The wielder gains +1 Attack Value when using Paired Weapons. Attacks made with Paired Weapons gain +1 Offensive Skill and ignore Parry. A model using this weapon cannot simultaneously use a Shield against Melee Attacks.

Repeater Crossbow: Shooting Weapon

Range 18", Shots 2, Str 3, AP 0. When shooting from Short Range, the weapon gains +1 Armour Penetration

Ruthless Efficiency: The attack gains +1 to wound during the First Round of Combat.

Ruthless Slavers: Universal Rule.

Standard Infantry and Standard Cavalry models in units in base contact with one or more models with Ruthless Slavers suffer -1 Discipline. In addition, these units must take a Fear Test at the start of each Round of Combat. Models that are immune to the effects of Fear are immune to the effects of Ruthless Slavers. Note that Ruthless Slavers does not make the model immune to the effects of Fear.

Scoring: Units with at least one model with Scoring are considered to be Scoring Units, which are used for winning Secondary Objectives (see section XVI.2 "Scoring Secondary Objectives", page 67). Every army needs a few Scoring units to be able to complete Secondary Objectives, which is why units with Scoring are marked in the Army Books with a special pennant icon:

Scoring can be lost during the game:

- A unit that is Fleeing loses Scoring for as long as it is Fleeing.
- An Ambushing unit that enters the Battlefield on Game Turn 4 or later loses Scoring.
- A unit that has performed a Post-Combat Reform loses Scoring until the start of the following Player Turn.

Shield: +1 Armour Hand Weapons wielded by models on foot can be used alongside a Shield, then giving Parry.

Suppressing Volley: At the start of each friendly Charge Phase, each unengaged non-Shaken friendly Silexian Auxiliaries unit with at least one Full Rank may nominate a single unengaged enemy unit within 18" and within Line of Sight. If so, the Silexian Auxiliaries unit cannot declare any Charges during this Charge Phase. Until the end of the Player Turn, each enemy unit nominated by one or more Silexian Auxiliaries units suffers -1 to-hit against Charging Academy Trained units.

Tactician: Universal Rule.

Academy Trained units joined by the model and Academy Trained units within range of Commanding Presence of a non-Fleeing model with Tactician count as being within 8" of another friendly Academy Trained unit.

Towering Presence: The model gains Tall and can never be joined or join a unit (unless it is a War Platform). A model with Towering Presence increases its Rally Around the Flag and Commanding Presence ranges by 6".

Under the Cover of Mists: Enemy units within 8" of one or more Mist Leviathans suffer -1 to hit for Shooting Attacks. In addition, during the first Game Turn, friendly Infantry units gain Hard Target (1) while within 8" of one or more Mist Leviathans.

War Machine: The model cannot Pursue, Declare Charges or Declare Flee as Charge Reaction. Characters can never join units with War Machines, and Characters with War Machine cannot join units at all.

When a War Machine fails a Panic Test, instead of Fleeing it is Shaken until the end of the next Player Turn. War Machines that fail a Break Test are automatically destroyed. War Machines and units Engaged in Combat with them cannot make Combat Reforms.

When a unit charges a War Machine, it can move into base contact by having its Front Facing contact any point of the War Machine's base (it must still maximise the number of models in base contact, see subsection II.1.A "Bases and Base Contact", page 4 and Figure 1 page 4). No Align Move is allowed. Ignore the War Machine's Facing, as it does not have any due to its round base.

Will of the Senate: Friendly units within 6" of a non-Fleeing unit containing one or more models with Will of the Senate **must** reroll failed Panic Tests.

Wizard Adept: - Knows 2 spells.

- Can select from the Learned Spells 1, 2, 3, and 4 of its chosen Path and the Hereditary Spell of its army.

The Wizard gains Channel (1) and selects its spells as described in Spell Selection.

Qr codes of your army

You can print this page to have all your army's units qrcode and cut them to stick them on your units, with them you can directly access to the unit's profil with your phone.
