## Magics

### Magic items

**Biting Blade:** Close combat attacks made by the Biting Blade are Armour Piercing.

**Charmed shield:** Shield. One use only. The first hit suffered by the bearer of the Charmed Shield is discounted on a roll of 2+.

**Crown of command:** The bearer of the Crown of Command has the Stubborn special rule.

**Dispell scroll:** One use only. When an enemy spell has been cast, a wizard who has a dispell scroll can read it instead of attempting to dispell the spell by using dispell dice. This automatically dispells the enemy spell; no dice roll is required. Note that even a dispell scroll will not help if the spell has been cast with irresistible force. Note also that a dispell scroll cannot be used to dispell spells that remain in play other than at the moment they are cast.

**Enchanted shield:** Shield. The bearer counts his armour save as being two points higher than normal, rather than the usual one point that a shield would normally grant.

**Glittering scales:** Light armour. Enemies suffer a -1 to hit penalty when attempting to strike the wearer in close combat.

**Talisman of Preservation:** The Talisman of Preservation grants the bearer a 4+ ward save.

### Magic banners

**Dragonhide Banner:** Models in a unit with the Dragonhide Banner can re-roll all To Hit, To Wound and saving throw rolls of 1 on the turn they make a successful charge. In addition, the bearer of the banner can use it to unleash an icy blast. This is a Strength 3 Breath Weapon. A unit hit by the icy blast has the Always Strikes Last special rule until the end of its next turn.

**War banner:** A unit with this banner adds +1 to its combat result.
