This spell can only target enemy characters. However, it may target any enemy character that is within range and that the caster can draw a line of sight to, regardless of the usual rules for targeting characters, and may even target an enemy character that has joined a unit or that is engaged in combat.

The target enemy character must immediately make a Toughness test. If this test is passed, it suffers D3 Strength 2 hits, each with an AP of -. If, however, this test is failed, it suffers D3+2 Strength 5 hits, with no armour or Regeneration saves permitted (Ward saves can be attempted as normal).
